"I hope we may find some means, in future, of shielding ourselves from foreign influence, political, commercial, or in whatever form it may be attempted. Platform of the American Party, adopted at the session of the National Council, February 21st, 1856.

1st. An humble acknowledgment to the Supreme Being, for His protecting care vouchsafed to our fathers in their successful Revolutionary struggle, and hitherto manifested to us, their descendants, in the preservation of the liberties, the independence, and the union of these States.

2d. The perpetuation of the Federal Union, as the palladium of our civil and religious liberties, and the only sure bulwark of American Independence.

3d. Americans must rule America, and to this end, native-born citizens should be selected for all State, Federal, and municipal offices or government employment, in preference to all others; nevertheless,

4th. Persons born of American parents residing temporarily abroad, should be entitled to all the rights of native-born citizens; but

5th. No person should be selected for political station, (whether of native or foreign birth), who recognizes any allegiance or obligation of any description to any foreign prince, potentate or power, or who refuses to recognize the Federal and State constitutions (each within its sphere) as paramount to all other laws, as rules of political action.

6th. The unqualified recognition and maintenance of the reserved rights of the several States, and the cultivation of harmony and fraternal good will, between the citizens of the several States, and to this end, non-interference by Congress with questions appertaining solely to the individual States, and non-intervention by each State with the affairs of any other State.

7th. The recognition of the right of the native-born and naturalized citizens of the United States, permanently residing in any Territory thereof, to frame their constitution and laws, and to regulate their domestic and social affairs in their own mode, subject only to the provisions of the Federal Constitution, with the privilege of admission into the Union whenever they have the requisite population for one Representative in Congress. Provided always, that none but those who are citizens of the United States, under the constitution and laws thereof, and who have a fixed residence in any such Territory, ought to participate in the formation of the constitution; or in the enactment of laws for said Territory or State.

8th. An enforcement of the principle that no State or Territory ought to admit others than citizens of the United States to the right of suffrage, or of holding political office.

9th. A change in the laws of naturalization, making a continued residence of twenty-one years, or all not hereinbefore provided for, an indispensable requisite for citizenship hereafter, and excluding all paupers, and persons convicted of crime, from landing upon our shores; but no interference with the vested rights of foreigners.

10th. Opposition to any union between Church and State; and no interference with religious faith, or worship, and no test oaths for office.

11th. Free and thorough investigation into any and all alleged abuses of public functionaries, and a strict economy in public expenditures.

12th. The maintenance and enforcement of all laws constitutionally enacted, until said laws shall be repealed, or shall be declared null and void by competent judicial authority.

13th. Opposition to the reckless and unwise policy of the present administration in the general management of our national affairs, and more especially as shown in removing "Americans" (by designation) and conservatives in principle, from office, and placing foreigners and ultraists in their places; as shown in the trucking subservience to the British, and an insidious and cowardly bravado towards the weaker powers; as shown in reopening sectional agitation, by the repeal of the Missouri Compromise; as shown in granting to unauthorized foreigners the right of suffrage in Kansas and Nebraska; as shown in its vacillating course on the Kansas and Nebraska question; as shown in the corrupting influences pervading some of the departments of the government; as shown in disgracing meritorious naval officers through prejudice or caprice; and as shown in the blundering mismanagement of our foreign relations.

14th. Therefore, to remedy existing evils, and prevent the disastrous consequences otherwise resulting therefrom, we would build up the "American party" upon the principles hereinbefore stated.

15th. That each State Council shall have authority to amend their several constitutions, so as to abolish the several defects, and institute a pledge of honor, instead of other obligations for fellowship and admission into the party.

16th. A free and open discussion of all political principles embraced in our platform.

DISEASE OF IMPRUDENCE.
Relief in six to twelve hours.

A cure warranted, or no charge, in from one to two days.

Weakness of the Back or Limbs, Strictures, Pains in the Loins, Affections of the Kidneys and Bladder, Organic Weakness, Nervous Debility, Decay of the Physical Powers, Dyspepsia, Langor, Low Spirits, Confusion of Ideas, Fluctuation of the Heart, Trembling, Dimness of Sight, Headaches, Dropsy of the Stomach, Affection of the Heart, Throat, Nose or Skin—those terrible disorders arising from the indiscretion or Solitary Habits of youth—those dreadful and destructive practices which produce constitutional debility, render marriage impossible, and destroy both body and mind.

Young Men,
Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave, thousands of young men, of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or walked to ecstasy the living lyre, may call with full confidence.

Marriage.
Married Persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. J., and be restored.

Organic Weakness,
Immediately cured and full vigor restored.
He who places himself under the care of Dr. J., may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

OFFICE, No. 7 South Frederick street, Left hand side going from Baltimore street, a few doors from the corner of the old and new markets.
Fall not to observe name and number.
Be particular, for Ignorant, Tying Quacks, with false names or Palmy Humber Certificates, attracted by the reputation of Dr. Johnston, lurk near.
All letters must contain a Postage Stamp, to use on the reply.

Dr. Johnston,
Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that ever were known; many troubled with ringing in the head and ears when asleep; great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

Take Particular Notice.
Dr. J., addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for civil, business, marriage, or society.
These are some of the sad and melancholy effects produced by early habits of youths, viz:
Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Fluctuation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

Mentally.
The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.
Thousands of persons of all ages, can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, have a singular appearance about the eyes, cough, and symptoms of Consumption.

Young Men
Who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.
That a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons, must before contemplating

Marriage,
reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection, that the happiness of another becomes blighted with our own.

Dr. Johnston's Invigorating Remedy, for Organic Weakness.
By this great and important remedy, Weakness of the Organs are speedily cured, and full vigor restored.
Thousands of the most nervous and debilitated, who had lost all hope, have been immediately relieved. All impediments to Marriage, Physical, or Mental Disqualification, Nervous Trembling, Weakness or Exhaustion of the most fearful kind, speedily cured.

To Strangers.
The many thousands of the most desperate cases cured at this institution within the last twelve years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the papers, and many other persons, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility is a sufficient guarantee to the afflicted.

Disease of Imprudence.
When the aged and impenitent rotaries of pleasure find he has imbibed the seeds of this painful disease, it too often happens that an ill-timed course of shame or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of his horrid disease make its appearance, affecting the head, throat, nose, skin, &c., progressing on with frightful rapidity, till death puts a period to his dreadful sufferings by sending him to "that bonfire from whence no traveler returns." It is a melancholy fact, that thousands fall victims to this terrible disease owing to the unbelief and ignorance of pretenders, who, by the use of that deadly poison, mercury, ruin the constitution and make the residue of life miserable.

R. R. R.
ROSE'S RENOWNED REMEDIES.
FOR THE RADICAL CURE OF COUGHS, COLDS, Consumption, Croup, Whooping Cough, &c. Avoid all quackery, and take medicines prepared by a practical physician only.
DR. ROSE'S EXPECTORANT, OR COUGH SYRUP.

For Consumption, Colds, Coughs, Asthma, Spitting of Blood, Bronchitis, and all diseases of the Lungs. The best Cough Syrup in the world.
Dr. J. S. Rose, of Philadelphia, has had an extensive practice of medicine in that city, the past thirty years, and his Cough Syrup is one of the most popular prescriptions for Coughs, Colds, Consumption, and all complaints of the Throat and Lungs. It not only cures the above complaints, but fortifies the system against future attacks. Thousands have been cured of Consumption by this valuable preparation. It is now used and recommended by medical men, at home and abroad, as the best Cough and Consumption Medicine in the world. This is a quick preparation, and it is prepared with great care by Dr. J. S. Rose himself, an eminent and regularly educated physician.

When you see a medicine peddled to cure Coughs, Consumption, Croup, and Whooping Cough, entirely dissimilar, put it down as a quack medicine; hence, Dr. Rose prepares a mixture for each complaint, and suited to each disease. Cough Syrup for Coughs, Colds, and Consumption; Croup Syrup for the Croup; and Whooping Cough Syrup for Whooping Cough. Price of Cough Syrup 50 cents and \$1 a bottle.

DR. ROSE'S COUGH SYRUP.
There have been many remedies compounded for the cure of Croup or Hives. The disease is particularly prevalent among children, and often fatal; but, as I have never seen a case terminate fatally or continue long where this Syrup was used, I can recommend it with the highest confidence. With one bottle of Dr. Rose's Cough Syrup in the house, no mother need fear the Croup. 25 cents a bottle.

DR. J. S. ROSE'S WHOOPING COUGH SYRUP.
Whooping Cough—what is it? Physicians have unanimously come to the conclusion that Whooping Cough is not only spasmodic, but may, if neglected, often run into other diseases, as Chronic inflammation of the Lungs, Consumption, and often Dropsy of the Chest, all of which dangerous and frequently incurable complaints will, by using Dr. Rose's Whooping Cough Syrup, which gives immediate relief, and frequently cures in a few days. 50 cents a bottle.

In most cases of Colds or Croup there is frequently some fever. When this occurs, keep the bowels open with Dr. Rose's Family Pills.

The committee have instructed the Mayor to address the President on
